

UCC Access to Service Inclusive Crew Model

Pre-Season Program Preparation

Conduct organizational self assessment

Solidify Partners & Develop Projects

All programs and projects must be inclusive and require active participation from all corpsmembers.

Develop Project Schedule & Calendar

Accessible transportation and other accommodations must be incorporated into logistics & scheduling.

Develop Recruiting & Marketing Materials

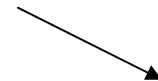

All promotional materials, applications, calendars, etc. must be made available in alternate formats.
Include disability specific information, i.e. disability benefits & accommodations

Recruit & Hire Crew Leaders & Corpsmembers

Determine Appropriate Accommodations for Members and Secure Adaptive Equipment & Accessible Transportation

Create an accessible work place
Make reasonable accommodations for qualified individuals with disabilities

If needed, lease or arrange for a lift-equipped vehicle and hire attendants &/or interpreters

Revise/Finalize Pre & Post-Service Evaluation
Make available in alternate formats

Develop Staff and Member Training

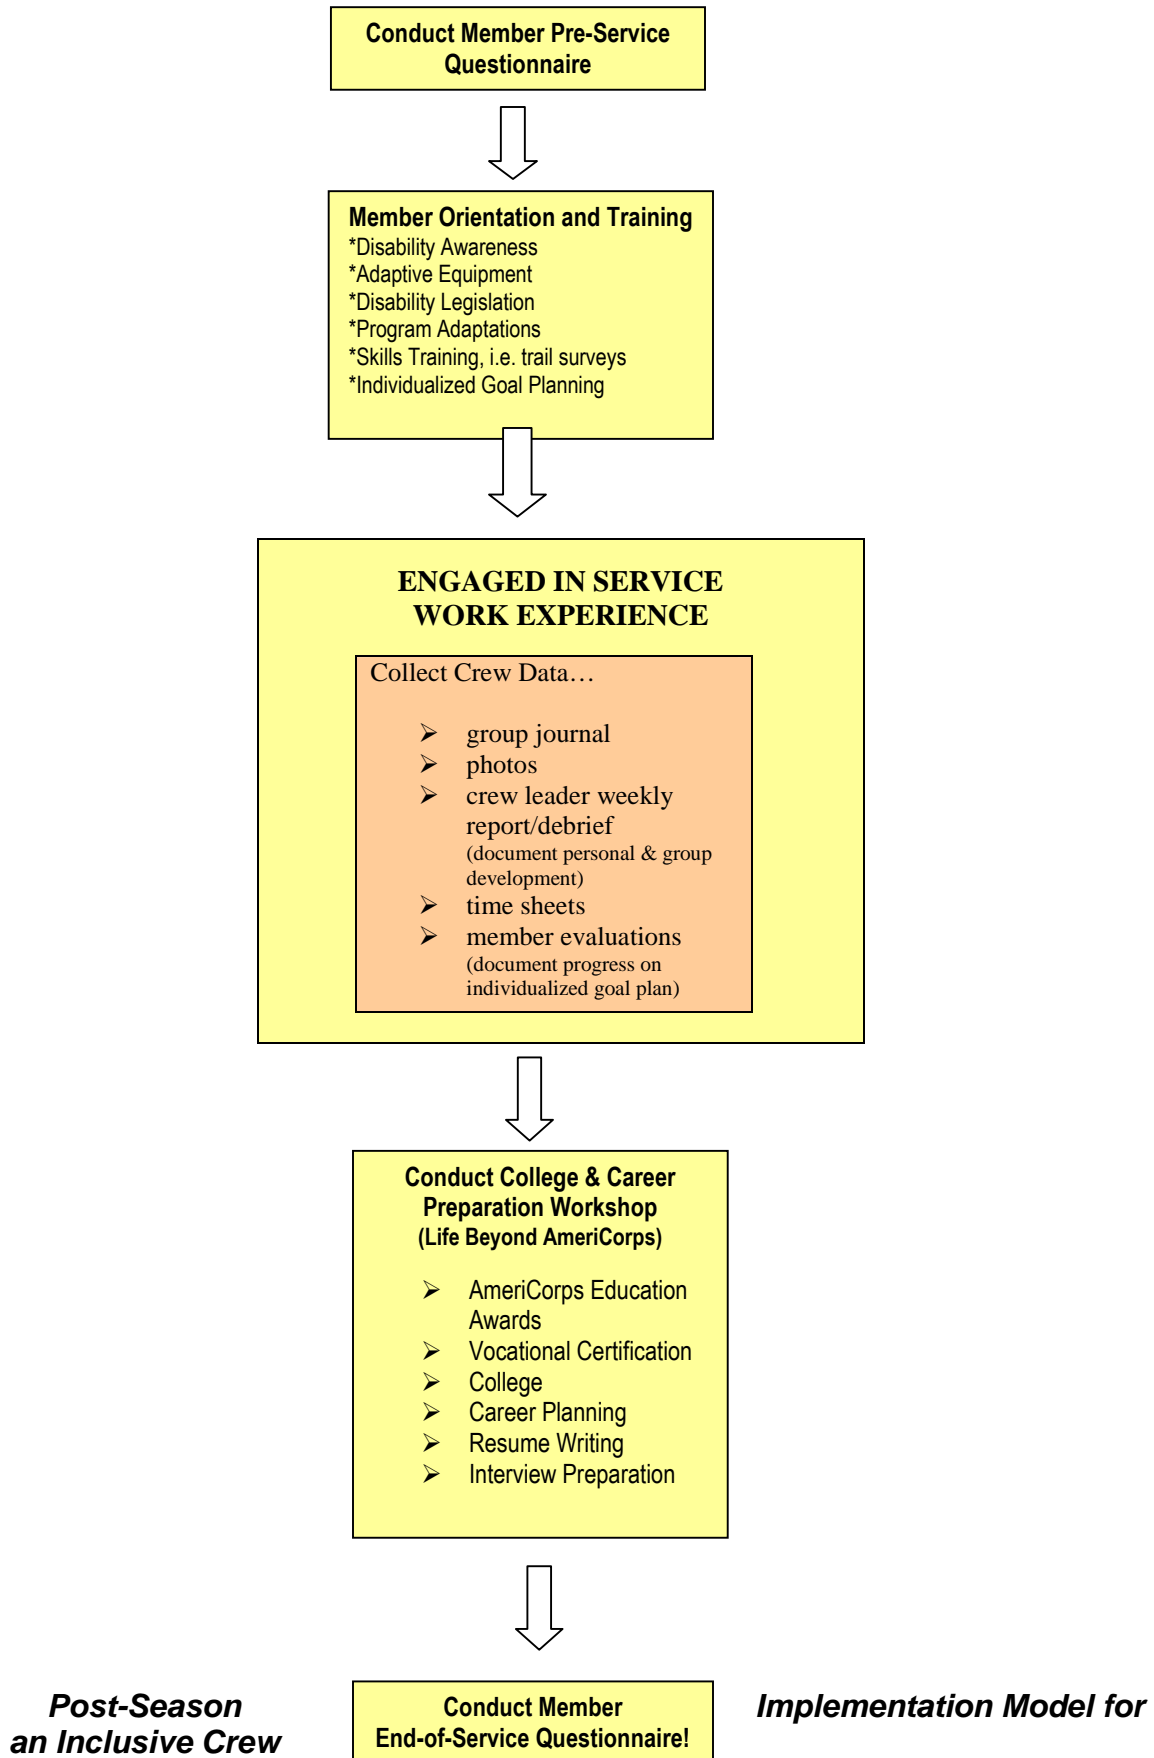

Training must be held in an accessible location.
All training materials must be made available in alternate formats.
All program activities must be designed to include all abilities.

Conduct Staff Training

Topics:
*Disability Awareness
*Adaptive Equipment
*Disability Legislation
*Program Adaptations

In-Season Implementation Model for an Inclusive Crew

**Conduct Three Month
Post-Service Questionnaire**

**Analyze Results and
Evaluation Data**

Revise Program Model for Next Year Based on Evaluation Results
